## MARCH 2026

### USEPPA GROCERY DELIVERY SERVICE

As we are experiencing a high volume of returning homeowners and guests with large grocery orders, please note the following guidelines for unattended grocery deliveries to Bocilla Marina for ferry transport:

Unattended grocery deliveries must be scheduled in advance. You must contact Reception at **239-308-9211** or [reception@useppa.com](mailto:reception@useppa.com) to arrange delivery for a designated launch time. The only launches available for unattended groceries are 10:00am, 11:30am, and 3:00pm. Please note that no groceries will be transported after 3:00pm, and unattended groceries are not accepted on the 5:00pm launch.

To ensure proper handling, all bags must be clearly labeled with a first and last name.

Upon arrival on the Island, groceries will be placed near the new parking area by the marina, across from the gazebo. We kindly ask that groceries be picked up promptly, as there will be many deliveries throughout the day.

Thank you for your cooperation—we appreciate your help in keeping everything running smoothly.

He will have samples of all his mallets and equipment available to try out. He will be available to answer any questions you may have regarding proper sizing and weight.

We will be at the Useppa croquet court between 10:00 AM and Noon on Thursday the 12th. Please come out and join us. I will also be available to offer any advice needed and provide some basic coaching if requested.
